

Focus on Youth 2020 Important Information

Registration deadline for performing arts entries is Friday April 3, 2020

Be sure to get your registration in on time. If your MC notes are incomplete be sure to send them to Laura by April 13th, laura.from@yahoo.com. For scheduling purpose it is best to include on your registration if you will need a lot of set up. Also, please include any dates your class will not be able to perform or days your class will not be able to rehearse during rehearsal week.

Photography - Frank will visit schools between April 20 - 24 to snap a few photos of kids rehearsing. It is easier for him to “stage” photo than actually take one while they are rehearsing. These may be used in the FOY supplement in the Creston Valley Advance.

Rehearsal week April 27 - May 2 It is important to be ready for the rehearsal and use your stage time to your best advantage.

No later than April 24, 2020 - Send your school's rehearsal schedule to the auditorium Technician, Jason nosaj28@hotmail.com and seating coordinator, Pat Chapman chpatal22@gmail.com.

Art Show Set Up

Please bring your art and set up will be 12-4pm on Sunday May 3rd at the Creston Room in the Recreation Centre. Classroom teachers are expected to set up their art displays.

Expectations for Art Show Set Up

Painter's tape is the only thing we can use on the walls. Banners are effective and easy to hang. Make sure heavy artwork on banners is stapled on so it doesn't fall off. Brenda will have dowelling and string available to hang the banners. Banners should not be longer than 9 feet. Tables will also be provided, try to make a creative display. The Quilters curtains will be hung again and artwork can be pinned to those. Brenda will have pins and clips. The Arts Council will provide grids for individual pieces of art. The art show coordinator is Brenda Brucker please reach out to her if you have questions, blbrucker@shaw.ca
